

**SER LA LUZ
DEL MUNDO**

What a year 2019 was for Ser la Luz!

Looking back over the past year Jesus has done some amazing things through this small ministry! We found ourselves down in Mexico 15 times, 12 of these were with groups.

Every trip had new people going with us. 40+ people came for their 1st trip in 2019. Some started with anxiety over safety in Mexico, or concern about the language barrier. It was exciting to watch them overcome these fears & be the hands & feet of Jesus.

They got to physically see the needs of our Christian sisters & brothers just 3 hrs south of us. It also helped put into perspective what needs there are in other parts of the world & how blessed we are to live in the United States! A few even come now on their own, combining resources with family & friends to help one of the orphanages!

Besides taking groups down, through donations from people like you, we were able to provide food, especially needed protein and fruits & veggies.

Through an amazing God-sent resource the last half of 2019 we were able to provide many warm jackets & other new clothing to 3 orphanages & other ministries including an elderly home!

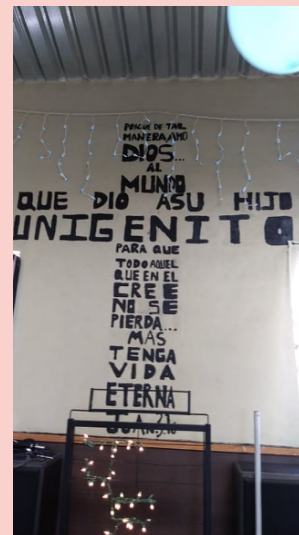

Ser la Luz was also able to help with 2 work trips at Rayito. Please pray that in 2020 they are able to finish the teen boys dorm, the sheltered ladies dorm & workshop!

At the end of the year we went down to Ojos Negros, a small community east of Ensenada. We had another new family join us along with 5 nationals from the main orphanage we help.

We helped a young church & it's Pastor with a community outreach. There was a puppet show, tamale lunch, and a clothing distribution. Above all the love of Jesus was shared!

About 75 pairs of shoes were passed out at the event!

Many people, including entire families, were blessed with new clothes, socks & shoes.

Please pray for Pastor Joshua to have energy, wisdom, & endurance as he ministers to the community!
